## ASSEMBLY BILL

**No. 454**

**Introduced by Assembly Member Dickinson**

February 19, 2013

---

An act to add Section 4460 to the Labor Code, relating to workers' compensation.

### LEGISLATIVE COUNSEL'S DIGEST

AB 454, as amended, Dickinson. Workers' compensation benefits: prevailing wages.

*Existing law defines the term "public works" for purposes of requirements regarding the payment of prevailing wages, the regulation of working hours, and the securing of workers' compensation for public works projects. Existing law requires the Labor Commissioner to issue a civil wage and penalty assessment to a contractor or subcontractor, or both, if, after an investigation, the commissioner determines there has been a violation of the laws regulating public works projects, including the payment of prevailing wages.*

Existing law establishes a workers' compensation system, administered by the Administrative Director of the Division of Workers' Compensation, to compensate an employee for injuries sustained in the course of his or her employment. *Under this system, the Workers' Compensation Appeals Board has jurisdiction to adjudicate claims relating to workers' compensation.* Existing law provides certain methods for determining workers' compensation benefits payable to a

worker for purposes of temporary disability, temporary total disability, permanent total disability, and permanent partial disability.

This bill would provide that, for purposes of determining those workers' compensation benefits, the amount of benefits for a worker who is injured while performing work under a contract requiring a federal, state, county, city, or city and county prevailing wage requirement and who was paid a wage below the applicable prevailing wage for that work—~~shall is to~~ be calculated using the applicable prevailing wage, and not the actual wages—~~paid paid, upon a final ruling by the commissioner of the applicable prevailing wage. The bill would require the commissioner to establish an expedited hearing process to make prevailing wage determinations that are relevant to a matter before the appeals board.~~
